

JUNIPER AUTOTESTS

Welcome to the 2010 Juniper Autotests. Unfortunately there is no double header this year as the Maidstone team have temporarily lost their venue due to planning applications. Hopefully things will be back to normal next year. We hope you will still support our standalone event.

In the meantime, we have now become the MSA Championship round for the weekend to keep the number of events the same (you were coming anyway weren't you?).

Once again we have another year of the superb Hatfield venue and facilities to challenge your car control. The car parks and network of roads are awaiting you, so can you tame the triangle and how brave are you going to be down The Ramp! We will again have four test sites running during the day, with no changes. All the tests will be run on a smooth sealed surface.

Hopefully we will be able to speed through the day's proceedings to allow you to get away early. Your early entries would be appreciated. Class starting order will be determined by the earlier you enter; the further to the back you run.

Hot food and drink will be available all day this year (starting from 8:30am). All hospital admissions have been banned! Please contact the organisers if you require help with accommodation.

Regs and a current entry list will also be available from the club website at www.csmanet.btinternet.co.uk/events/juniper.htm
